Verse 1: G D C D When my heart is troubled and I need to hear Your voice G D C D When my soul is weary and You seem to hide Your face C D I will lift my eyes to heaven C D I will trust You and Your love
Chorus:
G D You're still moving, You're still healing
Em7 D C You're still breaking through the dark
G D
You're still working, You're still speaking
Em7 D C You're still faithful through it all
Verse 2:
In the wilderness I waited and the healing never came Through the miracles and mysteries You remain the same I will lift my eyes to heaven I will trust You and Your love
Bridge:
D Em7 C Anything could happen when we fix our eyes on You D Em7 C
Anything could happen when we seek Your face  D  Em7  C
Anything could happen when we fix our eyes on You  Em7  C
Anything could happen when we seek Your face
