**LIMITLESS
FESTIVAL**

Hello and welcome to the very first LIMITLESS FESTIVAL... we are so pleased you're here!

Limitless Festival is the new summer gathering of the Limitless community. It is a call for a generation who will exchange apathy for passion, compromise for conviction, comfort for adventure, fear for faith, failure for freedom, and death for life. It is a place where faith is stirred, community is built and lives are changed.

Perhaps more than anything it is a week that is packed with possibility. I have no hesitation in suggesting that that this could be a week that has a significant impact on the rest of life; a week that you look back on in years to come and say, "that was the moment when..."

So let me encourage you, whoever you are, whether you would describe yourself as a follower of Jesus or not, to come with an open heart and mind, ready for God to surprise you and change you!

What could God do? The possibilities are limitless.

Have an incredible week.

National Director of Limitless

- **No person to be in the possession of alcohol or drugs on or off the site.**
- **Guys and girls are to be in separate tents throughout the camp, day and night.**
- **From 9:30pm all noise on the camping fields must be kept to a sensible & respectful level.**
- **Young people are to be back in their tents for 12.30am and quiet with torches out by 1.00am.**
- **Limitless Festival Passes (wristbands) must be worn at all times.**
- **No entrance is permitted to the deep on-site lake.**

MORNING DEVOTIONS

First thing in the morning the Youth and Young Adults venues gather together to be led by YOU! We can't wait to be led in sung worship by our youth band and hear a talk from a young person each morning. The perfect way to kick off the day!

DEEPER

If you know Jesus and want to know him more, if you want to grow in God and want to be used by him, then get yourselves along to DEEPER each morning for some great teaching, good conversation and a chance to put what you're learning into practice.

EXPLORERS

Perhaps you're here at Limitless Festival and all this God-stuff seems a bit weird! Maybe you're not sure if you believe it, you've got so many unanswered questions and you're yet to be convinced... but you've also got an open heart to finding out more. Then EXPLORERS is for you! Come and find out more about God and faith in an environment where any question is welcome.

WORSHIP STREAM WITH ELIM SOUND

We're super-stoked to have a brand-new stream for musicians and worship leaders, headed up by the one-and-only Elim Sound! You'll be heading up to the Elim HQ in Malvern each day to do some live playing workshops with some of the best musicians around.

All sign-ups must be made in advance and are restricted to four per group.
