2022
PROGRAMME

WELCOME

Hello and welcome to Limitless Leaders 2022... it's great to be together!

We're set for a fantastic three days of practical equipping, spirit-filled ministry, and like-minded community. I pray that our time together would be restorative and inspiring for you after a highly challenging couple of years. But you're still going... so well done, good and faithful servant!

Our theme this year is *leading with wisdom*... how much do we need it right now!? There will be plenary sessions where we are all together for worship and ministry, bespoke streams for both children's and youth workers, and a leadership stream equipping us with the practical tools we need to lead right now. So please do have a good read through the programme and engage with the sessions that will be most helpful to you.

New this year is our prophetic appointments. This is a chance to receive some personal prayer, during which our team will take some time to listen to God and share anything they feel the Lord lays on their heart for you. Should be amazing... but you'll have to get up early for it!

There is also an opportunity for 1-2-1 consultancy, so you can talk with an experienced practitioner about the specifics of your youth or children's ministry. So if you haven't done so already, you can get yourself booked into either of these via limitlesselim.co.uk/reserve

Finally, I would like to encourage you to fully engage with all that God has for you over these next few days. I know you're busy, but your email can wait! So why not consider leaving your phone in your room for the duration of the sessions so that you can be fully present and attentive to the Lord.

I believe that God has significant things to do in our lives during our time together. So let's ready our hearts to receive and engage.

What could God do? The possibilities are *limitless*...

With much love,

Tim Alford

WHAT'S ON?

1-2-1 CONSULTANCY

- DURING EACH ELECTIVE SESSION

Have you got something going on in your youth or kids ministry that you'd value the opportunity to chat through? Have you got a leadership ceiling that you just can't seem to lift? Is there a challenge or opportunity presenting itself that you'd value some wisdom on? Then why not sign up for a 1-2-1 practical consultancy session with someone from the Limitless Leadership Team? Visit limitlesselim.co.uk/reserve to book a spot. But be warned, places are offered on a first-come, first-served basis!

PROPHETIC APPOINTMENTS

- 07:30 WEDNESDAY AND THURSDAY

Take a few moments to receive some personal prayer as our team listen to God and share anything they feel he says for you. Of course, you'll need to weigh and discern any prophetic words you receive, but if you'd like to sign up, go to limitlesselim.co.uk/reserve to book a spot. Once again, places are offered on a first-come, first-served basis.

REFLECTIVE SPACE

- DURING EACH ELECTIVE SESSION

You'll be taking in loads of great teaching during Limitless Leaders, so we wanted to create a space where you could go to process your thoughts. That's why the chapel will be open during the elective sessions for you to go to take some time to reflect.

LATE NIGHTS

- 21:30 TUESDAY AND WEDNESDAY

Hang out in the bar with old friends and new. Sit out and toast marshmallows on the fire pits. Let off some steam in the sports hall. Or, if you really know how to party, get an early night in...

PLENARY SESSIONS

WELCOME & WORSHIP

- DAY 1 | 11:30 - 12:00

We kick off as we mean to go on, by fixing our attention upon Jesus. We'll also be giving an overview to our time together... so don't be late!

LEADING WITH WISDOM - TIM ALFORD

- DAY 1 | 13:30-14:30

Culture is changing so rapidly that it often feels impossible to keep up. The pandemic expedited these cultural shifts and unpicked many of the things we had come to rely upon in children's and youth ministry. Centuries of biblical orthodoxy is under intense scrutiny to such a degree that it is considered implausible in the minds of this generation. Technologies are rapidly advancing, and yet seemingly failing to provide the answers we hoped they might. And in amongst all this uncertainty, the Lord calls us to lead. If there was ever a time we needed wisdom, surely this is it. So what is godly wisdom, how do we get it, and how do we apply it in the world in which we lead?

WORSHIP AND MINISTRY | WHY LEADERS FALL AND HOW TO AVOID IT - ROB PARSONS

- DAY 1 | 19:30-21:30

Gather together for a time of worship through song and plenty of space to receive from God and pray for one another. Rob Parson will be helping us consider the practices and character we need for a life of faithfully following and serving Jesus.

WORSHIP TOGETHER

- DAY 2 | 9:00 - 9:20

Let's join together as our day begins to give the first of our time and adoration to Jesus.

PLENARY SESSIONS

THE BIG CONVERSATION

- DAY 2 | 16:15 - 17:30

We love nothing more than learning from one another. That's why this session is dedicated to roundtable discussions around timely and relevant topics that affect you in youth and children's ministry. There will be eight conversations to choose from, but only four slots to engage with. So which conversations will you contribute to? The choice is yours!

SEXUALITY: How do we pastor a sexually fluid generation?

- **Keren Davies** (*Derbyshire Hall*)

THE DIGITAL WORLD: Helping children and young people create healthy rhythms

- **Abz Adekeye** (*Derbyshire Room 2*)

SELF LEADERSHIP: Keeping fired up instead of burnt out! - **Jamie Price** (*Derbyshire Room 3*)

LEADING UP: Developing a healthy relationship with our senior leaders

- **Jonathan Rowland** (*Derbyshire Room 4*)

IDEA SWAP: Your best youth or kids ministry games - **Martin Price** (*Derbyshire Room 5*)

TEAM BUILDING: Recruiting, raising and releasing a volunteer team

- **Ryan Holmes** (*Derbyshire Room 7*)

HYBRID MINISTRY: How do we utilise the digital space now that we're back in the room?

- **Andy Hancock** (*Derbyshire Room 8*)

WORSHIP AND MINISTRY - RACHEL GARDNER

- DAY 2 | 19:30 - 21:30

Gather together for a time of worship through song and plenty of space to receive from God and pray for one another.

WORSHIP TOGETHER

- DAY 3 | 9:00 - 9:20

Starting our day with Jesus at the centre.

TOGETHER WE ARE LIMITLESS

- DAY 3 | 9:20 - 10:00

A space to hear about the resources, events and training we have available for you in the year ahead, and for us to listen to your feedback as we do all we can to help you lead your youth and children's ministries into a brighter future.

COMMUNION & COMMISSIONING

- DAY 3 | 11:45 - 12:30

We finish as we started, with Jesus at the centre. We gather around the Lord's table in a show of unity as we pray for one another and head back out onto the mission field. So don't go home early! This is sure to be a precious moment as we conclude our time together.

LEADERSHIP STREAM

HOW TO LEAD AND YOUTH AND CHILDREN'S MINISTRY - BECCA HUDSON

- DAY 1: ELECTIVES SESSION 1 | 14:45-15:45

Leading children's ministry is challenging. Leading a youth ministry, likewise. But leading both at the same time? Nearly impossible! Or is it? In this session, Becca unpacks some of the principles that have helped her lead both youth and children's ministry to help those of you who are heroically endeavouring to wear both hats.

HOW TO SUCCESSFULLY TRANSITION FROM KIDS TO YOUTH - EMMA BACON & JOE MORRIS

- DAY 1: ELECTIVES SESSION 2 | 16:15-17:15

Transition is not a restart, as our kids move into youth they step into a continued journey of faith, physically, spiritually and emotionally. Each young person deserves to be shepherded through this really crucial transition in their lives. At a time where many children can become disconnected, we believe that working in partnership and communication is key to a healthy transition from kids to youth work. In this session, we'll look at some practical ways in which you can help your kids transition into youth.

MENTAL HEALTH AFTER THE PANDEMIC - ABZ ADEKEYE

- DAY 2: ELECTIVES SESSION 3 | 14:45-15:45

We serve a generation whose mental health is more fragile than any that preceded them.... and that was before they were hit with a global pandemic, isolation from their friends, messed-up education schedules and even more screen time than usual. So what are the specific ways in which the pandemic impacted upon Gen Z, and how can youth leaders respond accordingly?

LEADERSHIP STREAM

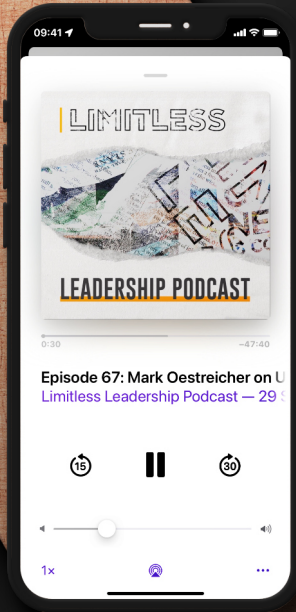

ROME WASN'T BUILT IN A DAY: WHY LONGEVITY MATTERS AND HOW TO DO IT - FAYE HARRIS & FRIENDS

- DAY 3: ELECTIVES SESSION 4 | 10:30 - 11:30

We have a serious problem with short-termism in youth and children's ministry. We have too few seasoned experts because expertise cannot be built in a few years; it usually takes decades of reflective practice to master something. But we want to be a consistent, long-term presence for our children and young people during a stage of life where everything around and within them is changing rapidly. In this session we glean from the wisdom of leaders who have stayed the course for many years, so we can learn how to do likewise.

This session will be a testimony of one person’s journey of drawing out the supernatural callings within children, leading them in the supernatural and lessons they’ve learned and are still learning along the way.

LEADING FOR ENCOUNTER: HOLY SPIRIT MINISTRY WITH THE CHURCHED AND UNCHURCHED - ANDY HANCOCK

- DAY 1: ELECTIVES SESSION 1 | 14:45-15:45

It's so easy to fall into the trap of spending lots of time talking about Jesus, without actually creating the opportunity for our young people to personally encounter God for themselves. But personal experience is absolutely critical in faith formation. So how do we facilitate moments of encounter that help young people to meet with God, whether they have been attending church gatherings for years or are entirely unfamiliar with such environments?

THE ELEPHANT IN THE ROOM: GENDER IDENTITY AND YOUTH MINISTRY - TIM ALFORD & KEREN DAVIES

- DAY 1: ELECTIVES SESSION 2 | 16:15-17:15

You may have heard it said that 'sex is between the legs but gender is between the ears.' But what does Scripture have to say about gender identity? What is behind some of the redefinition of gender? What are some of the key terms we need to be aware of? How do we engage in this incendiary topic with our young people? And how do we disciple young people who are redefining their own gender identity?

EVERYTHING YOU NEED TO KNOW ABOUT YOUTH CULTURE RIGHT NOW

- DAY 2: KEYNOTES | 9:30 - 10:30

What are some of the key cultural trends we should be aware of? What are the 'signs of the times' and how does our understanding of them impact how we do youth ministry today?

YOUTH | LIMITLESS LEADERSHIP PODCAST LIVE EVERYTHING YOU NEED TO KNOW ABOUT YOUTH CULTURE RIGHT NOW Q&A

YOUTH TED TALKS | LESSONS FROM LOCKDOWN IN DERBYSHIRE HALL - DAY 2: TED TALKS | 13:30-14:30

The last two years have been hard, yes, but we have learnt so much! The Lord has unpicked some of the things we most valued, realigned our priorities, and revealed more of himself to us. In this session, we hear from five youth leaders about the single most important thing that God taught them through lockdown.

SPEAKERS - *Emma Gaze, Rianne Card, Bayanda Moyo, Alice Dawson, Beth McGardle*

HELP, OUR YOUNG PEOPLE DISAPPEARED! (STRATEGIES FOR REACHING OUT AND GOING AGAIN) - JAMIE PRICE

- DAY 2: ELECTIVES | 14:45-15:45

Youth ministry took an absolute battering during the pandemic, and many of us are finding that some of the young people who were with us pre-pandemic disengaged and never returned. Whilst we acknowledge the opportunity this presents us to invest deeply in a smaller group, we also want to take seriously the responsibility to reach the unchurched in our communities with the gospel. So how do we reach out and go again?

GENERATION JUSTICE - ORE ADEYEMO

- DAY 3: ELECTIVES | 10:30 - 11:30

Gen Z is passionate about making a difference in society. From March for Our Lives to Me Too; from Black Lives Matter to School Strike for Climate, in recent years we have seen justice movements all over the world pioneered and led by young people. So what's behind this generation's passion for advocacy, and how do we come alongside young people to help them engage with these issues in a godly and fruitful way?

Following Christ transforms all aspects of our lives. Jesus is Lord in our family life, when we are at work, in our responsibilities as citizens, and more. If we want to be faithful and effective Christian citizens, we need to pay particular attention to what it means to truly engage with wider society.
